

SPRING 2007 CAMPOREEEE SCHEDULE OF EVENTS

May 18th – 20th, Bauer Farm, Madison, Theme is Pioneering!

We will arrive Friday evening and set up camp. Saturday, after a good breakfast, we will open the Camporee. Stations will be set up where Scouts can learn about Pioneering, and complete requirements toward the Pioneering merit badge. After lunch, we will play games, and then go back to our stations to learn more and do some competitions at the stations. After dinner, there will be demonstration stations such as rope making, which will go towards meeting the Pioneering MB requirements. Then, a camp-wide game will be held. On Sunday, we will have breakfast, an all-faith service, and then we will do a project to benefit the Bauer Farm. Closing ceremonies and awards will be held at 11:30 AM on Sunday.

Rules:

- No Pioneering weapons (catapult, etc)
- If building a rope bridge, please build close to the ground
- If in doubt, ask the Safety Officer whose ruling is final.
