

COMMUNICATIONS

Prior to the 01-25-07 troop meeting, read the listening, non-verbal communication and small group discussions guide attached. If requirement 1c. stories are not finished at the 01-25 meeting they will be continued at the next full troop meeting.

Before beginning requirement 1c. discuss the listening and group discussion techniques you learned from the reading in your patrol group.

Requirements:

1. Do the following:

- c. In a group consisting of your patrol. Share personal stories about significant events in your life that affected you in some way. Notice how each scout participates in the group discussion and how effective each one is in telling his story. Discuss what you have learned about the differences you observed in effective communication.**
