

**Troop 474 Wood Ducks**  
**Plan for October 25th Troop Meeting**

During the next Troop meeting, I would like the Senior and Odoriferous Outhouse Patrols to join the Patrols they are assigned to - check the roster. Unassigned Seniors and Odoriferous Outhousers - Seniors please help the Warriors and Odors the Gulls.

The screaming Eagles will work without additional assigned assistance unless they are short handed.

During the next month I want the Screaming Eagle, Flaming Seagull and Warrior Patrols to lead a Troop Meeting. The purpose is to introduce or reinforce some Scouting related skill. Look over the rank requirements in the book for ideas - lashings, a compass introduction on the green, first aid, introduce a merit badge and teach some of the requirements - sports, wood carving, tons of others. Your choice with approval by SPL's or ASPL's.
